

## PRESS RELEASE

### Partnership Agreement Signed Between CTI CONSULTING AG and xyzmo SIGNificant Group

October 16, 2008, Ansfelden, Austria. xyzmo SIGNificant Group, a leading international digital and electronic signature technology provider, has signed a partnership agreement with CTI CONSULTING AG at the DMS Expo 2008 in September.

CTI CONSULTING AG is one of the leading consultancy companies in the field of workflow, document and record management with SAP. The main objective leading to this new partnership is to secure processes and workflows dealing with electronic files and documents. *"As electronic workflows are rapidly becoming more wide-spread, it is highly important to optimize continuous digital processes. In this context, digital signatures play a crucial role,"* says Michael Reuter SAP Records Division Manager at the CTI CONSULTING AG. *"We count on xyzmo SIGNificant's digital signature solutions to ensure legal compliancy, and plan that by the end of the year our internal processes will also be managed electronically using xyzmo SIGNificant's technology."*

xyzmo SIGNificant's comprehensive product line eliminates paper processes while improving document security. *"Our signature solutions enable signing and stamping to remain as easy as ever, but are performed directly within the electronic document and can be integrated into any existing application or document workflow procedure,"* says Dr. Gerald Cäsar, CEO of xyzmo SIGNificant Group.

Both CTI CONSULTING AG and xyzmo SIGNificant Group are looking forward towards a fruitful partnership, believing in a successful future for their cooperation in the area of contract management and personnel processes.
