

## Wacom STU-430

small, robust  
& extremely durable

### General Specifications

|  |   |
|--|---|
| Dimensions<br>(W x H x D, excluding stand) | 161 x 174 x 11 mm                             |
| Weight (including stand)                   | 270 g   |
| Power supply                               | via USB, no additional power adapter required |
| Power consumption                          | 5W maximum                                    |
| Communication interface                    | USB 2.0 (high speed)                          |
| Supported operating systems                | Windows® Vista, 7, 8, 10                      |

### LCD Screen

|                                      |   |
|--------------------------------------|---|
| Front cover                          | dark grey   |
| Main body colour                     | black   |
| Display type                         | F-STN positive reflective                                     |
| Cover plate surface                  | Tempered anti-glare etched glass with anti-reflective coating |
| Screen diagonal                      | 4.5 inch  |
| Resolution                           | 320 x 200 pixels  |
| Viewing angles (horizontal/vertical) | n/a   |
| Colours                              | B/W   |

### Tablet and pen

|                     |  |
|---------------------|--|
| Technology          | electromagnetic resonance (EMR)                            |
| Active area         | 96.0 x 60.0 mm   |
| Resolution          | 2.540 lpi (non-interpolated)                               |
| Coordinate accuracy | ±0.02 inch / 0.5 mm (center)                               |
| Report rate         | 200 points per sec. (non-interpolated), 800 4D coordinates |
| Pressure levels     | 1.024 (non-interpolated)                                   |
| Reading height      | 0.2 inch / 5 mm (center)                                   |
| Pen storage         | Integrated pen compartment                                 |
| Encryption          | AES 256 bit encryption,<br>RSA 2048 bit key exchange       |

### Miscellaneous

|  |  |
|--|--|
| Graphics card                            | Not needed   |
| Software                                 | Compatible with signature / E-signing software and Wacom's sign I pro PDF, C++, .Net and Java SDK/API available for developers           |
